

The image shows a screenshot of the WeTransfer mobile app interface. The app is titled "Send up to 2GB" and features a "+ Add files" button at the top. Below this, there are three input fields: "Friend's email", "Your email", and "Message". At the bottom, there is a "Transfer" button. Red arrows point from the text instructions on the right to these specific elements: the "+ Add files" button, the "Friend's email" field, the "Your email" field, the "Message" field, and the "Transfer" button.
